Dear Sir,

**RE: CONGRATULATORY LETTER TO THE WINNER OF NATIONAL
(BEST) COMPETITION 2015**

Above captioned subject matter refers.

It is my pleasure to write and congratulate you for the victorious outing and remarkable performance at the recently concluded technology and innovation competition organized by the Federal Ministry of Education. This outstanding performance is indeed a testimony to the adequacy of our curriculum and effective monitoring of laid down standards.

Please, be informed that your institution has been introduced to the National Office of Technology Acquisition and Promotion (NOTAP), Lagos. Similarly, the Board has written to the Registrar, Joint Admission and Matriculation Board (JAMB) on your intent about examination software improvement. You are therefore advised to follow up to the above mentioned agencies for further guide and discussions.

While congratulating you once more, I implore you to maintain the tempo and standards upon which you were licensed.

Please accept the assurances of my esteem regards and consideration.

Sincerely,

Dr. M. A. Kazaure, *mni*
